Maybe he could have used it? Gemma 11-24-2010, 02:57 PM I have not heard of the first e-mail address of the day before. Maybe he could have used it? Oh yeah, some people use this method, like to be the first to use the reply to all method, and use this to be the first address. But, I will never do that. I rather use Hotmail and I have had some hackers before. Props to the dude on that one! Sid 11-24-2010, 07:42 PM Well, they got into his account. You know what? They even got into his Yahoo e-mail account, that he even has a different password. For an opening line
