The Black Death is a grandiose 3D action game that challenges players to fight epic battles in a dark world. With a unique blend of fresh gameplay and great story, The Black Death will take you through a journey to save a world that is ravaged by an evil black magic. Your Story: The Black Death is an action game with a dark fantasy theme. Six powerful mages have united to restore order to the once peaceful land, bringing harmony to the war-torn world. But one of them will betray the other five – it is you who must eliminate the betrayer and save the world. • Discover a fantastic world: a large and detailed open world with numerous side quests and other actions that lead you to the next level. • Create a powerful hero: customize your heroes' looks, skills and equipment to increase their combat power. • Sink deep into a gripping storyline: hunt down your enemies and explore the world in a dark tale filled with action, intrigue, and unforeseen twists. • Watch your back: use your intuition to unravel the mystery that surrounds the betrayer and find a way to free yourself from the evil grasp of the dark realm. In a time when humanity was first discovering the secrets of magic, a genius sculptor named Natos was discriminated for his unusual ability to bring his works of art to life. Although Natos initially wished to use his powers for good, his community feared he was too powerful and drove him to exile. Enraged, Natos dedicated himself to developing his powers and eventually unlocked the secrets to immortality. He hid in the shadows, secretly raising an army to wage war against humanity. One century later,

**Ayane revision because I had to follow everyone. Thanks to those who voted for it. Please leave a comment of your favorite costume too. ^\_\_^ Size: XS,S,M,L,XL Color: BEIGE Fabric and Finishing: Linen, Beige I really hate to use printed fabric if it is black. The black would give an aesthetic part, and it may be seen as a part of the design because they just are not used as the main fabric. But because of that I chose to use the printed like the colors. ^^ The ears were cut while back was folded. I left a 1/2-inch of the neck area to make the collar easy to be adjusted. FYI: I combined my body with the skirt from Elf Maid'nin' Sheena #7 and modified to fit her. I've got a special cutout at the centre of the back just in between the boobs. A big thanks to all who voted for my previous one ^^ ~Photos~ [Figs.] [Bust] [Waist] [Small Back] [Full Front] [Head Corner] [Falls] [Bum] [Butts] [Thigh] [Leg] [Bikini] ~Video~ [Flow In Video] [Transition] Enjoy! ~Appreciate~ I designed the hairstyle myself... There's no modifications to it... This one was inspired by the Elise costume from Elise of Another Sphere... Elisela-sama is equally great to me ^^ Enjoy~ ~Thanks~ I'd like to say THANK YOU to Erouze who make Ayane wig :3 ~Transition~ ~Sample~ [Transition Back] [Appreciation Video] I designed this costume from my favourite anime, DOA6. It took me two weeks of day and night to make the head. Thanks to Dojyou.net for helping me, Dojyou.net's Maya costume was great help while creating this. Thanks to my friends who helped me with tailoring, beuno and his costume from Bart's Seiko City High School Girl, and Elf Maid'nin' She**
